March 15, 2018

Dear Parents of Future Grade 6 and 7 CUBS!

We are looking forward to welcoming our future grade 6 and 7 students to Constable Neil Bruce Middle School this fall. We are the home of the CUBS! As we begin this transition process, we would like to share with you some important information and activities that have been planned to welcome your child to the learning community of CNB.

We will be having two parent nights the first week in April.

- April 4 we will be meeting with our grade 6 families
- April 5 we will be meeting with our grade 5 families

Certainly if one day works better for you, you are more than welcome to attend either however, we may not be able to address your concerns until after the presentation. The presentation will be from 6:00 – 7:00 p.m. in our gymnasium.

We are excited to welcome your children to CNB for a school tour and visit during the first part of May. Administration and staff will have an opportunity to share with students what it will be like to become a CUB and then students will participate in a tour of the school guided by some of our current grade 8 leaders.

In addition, in early May, we will have some of our future Grade 8 Troops (leaders) visit their old elementary school as part of our "Back Pack Program." A number of our current grade 7's will come to share with your children what it is like to be in Grade 6 and 7 at CNB. This is an opportunity for our future CUBS to ask questions in a safe environment with a small group of students whom they are comfortable. Final dates for the above activities will be shared with our school communities in early April.

Finally, we would like to share that our support team (administration, learning assistance, counsellor along with other team members) will be meeting with support teams from each elementary feeder school to ensure that we work towards creating optimal learning environments for all.

We thank you in advance for giving us the greatest pleasure – to work with your child and watch them learn!

Yours In Education,

Curtis Schreiber, Principal

Kyla Babcock, Vice Principal
